Case Touch for iPhone 6

Product code: TETOUCHIP647T

TPU Cover with protective shield for screen for touch controls for iPhone 6 4,7', transparent

For all those who do not like to frequently replace their protective film for touch screen, Touch case of SBS is ideal to solve the problem. Made of durable TPU with effect of veiled transparency, has a plastic clip that protects the screen from scratches and dirt. The clip is completely transparent and closable like a book cover and thanks to its conductive surface makes it possible to interact with the screen and use all the touch functions on your smartphone. Case and screen protector within a single protection to guarantee the best security when you use all the features of the smartphone.

Features

- made in TPU
- frontal clip for screen protection
- touch function enable
- it protects body and screen of smartphone
